

What's so good about PrayerWorks?

Collaboration, collegiality and community are big words for those of us involved in education. They spell EMPOWERMENT.

PrayerWorks spells Empowerment too.

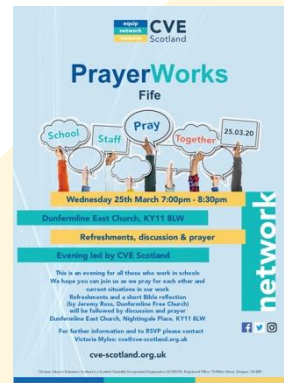

Christian teachers in a locality get together, typically twice in the school year and share and pray.

Here are some comments from teachers after a PrayerWorks event :

- "I feel I can carry on because I'm not alone."
- "Lots of my questions have been answered tonight."
- "I didn't realise there was a Christian teacher in my son's school."
- "When can we meet again?"
- "I've got new ideas for the classroom."
- "Let's keep in touch meantime."
- "And let's tell the student teachers about this too."
