

RSHP Education Level 2

Title: How human life begins, pregnancy and birth

Lesson Activities and Resources

See below for suggested amendments and potential concerns with lesson activities and resources, and an explanation of the rationale for the changes. Activity numbers correspond to the numbers in the Activity section of the RSHP.Scot activity plans.

RSHP.Scot Resource Links: [Activity Plan](#), [PowerPoint](#)

Activity	Original Resource	Suggested Amendments/ Potential Concerns	Rationale for changes
1 and 3	PPT Slides 2, 11	Replaced nude photos with illustrations.	Some parents/carers and pupils may be uncomfortable with the use of nude photos. Illustrations are sufficient.
5	Slide 27, video	The video does not seem to be available any longer on YouTube, so the link has been replaced with a similar video of the same length: https://www.youtube.com/watch?v=8BH7WFmRs-E . Like the original video, it is directed towards pregnant women. Alternatively, there is a National Geographic video. It is slightly shorter and not directed towards pregnant women, though it does not give the same level of detail about development in the womb: https://www.youtube.com/watch?v=XEfng4Q4bfk	These videos are suggested as they are well-made and more engaging than some of the alternatives.
